Subject: Press Planner updates

Hi all—any additions or updates to below..? Thanks in advance. Rich x 6654

Week of November 24

R8 PRESS RELEASE: Press release with Montana DEQ announcing a public meeting on December 11, 2014, to communicate the current status and next steps in addressing contamination at the Columbia Falls Aluminum Company plant in Columbia Falls, Mont.

Week of December 8

R8 EVENT: RA Shaun McGrath will visit the Cloud City Conservation Center in Leadville, Colo. to learn more about the work that the local nonprofit is doing with EPA EJ grant resources to promote energy efficiency, including weatherization efforts among environmental justice communities in the area. The event is intended to underscore the importance of these issues as part of the efficiency/weatherization “week of action.”

December 18

R8 EVENT: RA Shaun McGrath is scheduled to attend a ceremony recognizing the deletion of three operable units at the California Gulch Superfund site in Lake County, Colo. The Governor and congressionals have been invited to the ceremony.
